TRANSPARENT PLASTIC TRAY FOR CANDY & CONFECTIONERY PACKAGING

Advantages

- ✓ **Visibility** - Customers can clearly see the product texture and color
- ✓ **Protection** - Sealed blister packaging helps prevent leaks and contamination
- ✓ **Cost-Efficient** - More economical compared to traditional box packaging
- ✓ **Retail-Ready** - Easy to hang on display racks or stack on shelves
- ✓ **Travel-Friendly** - Lightweight, compact and convenient to carry

OEM/ODM SERVICE

TRANSPARENT TOY BLISTER TRAY

Advantages

- ✓ **High Transparency** – Clear plastic allows customers to easily see the product inside.
- ✓ **Strong Protection** – Protects items from dust, scratches, and damage during handling and transport.
- ✓ **Lightweight** – Lightweight design helps reduce shipping and storage costs
- ✓ **Custom Fit Design** – Precisely molded cavities keep the product secure and well positioned
- ✓ **Retail Ready** – Ideal for display with backing cards or hanging on retail racks

OEM/ODM SERVICE

COLORED PLASTIC TRAY

Advantages

- ✓ **Customizable (OEM/ODM)** – Flexible in size, thickness, color and compartment layout
- ✓ **Multi Compartment Design** – Helps separate and organize different items neatly (food, parts, accessories)
- ✓ **Strong & Rigid Plastic** – Good shape retention, not easy to deform during storage or transport
- ✓ **Wide Application** – Suitable for food packaging, electronics, cosmetics and industrial products
- ✓ **Stackable & Space Saving** – Easy to stack, optimize storage and shipping efficiency

OEM/ODM SERVICE

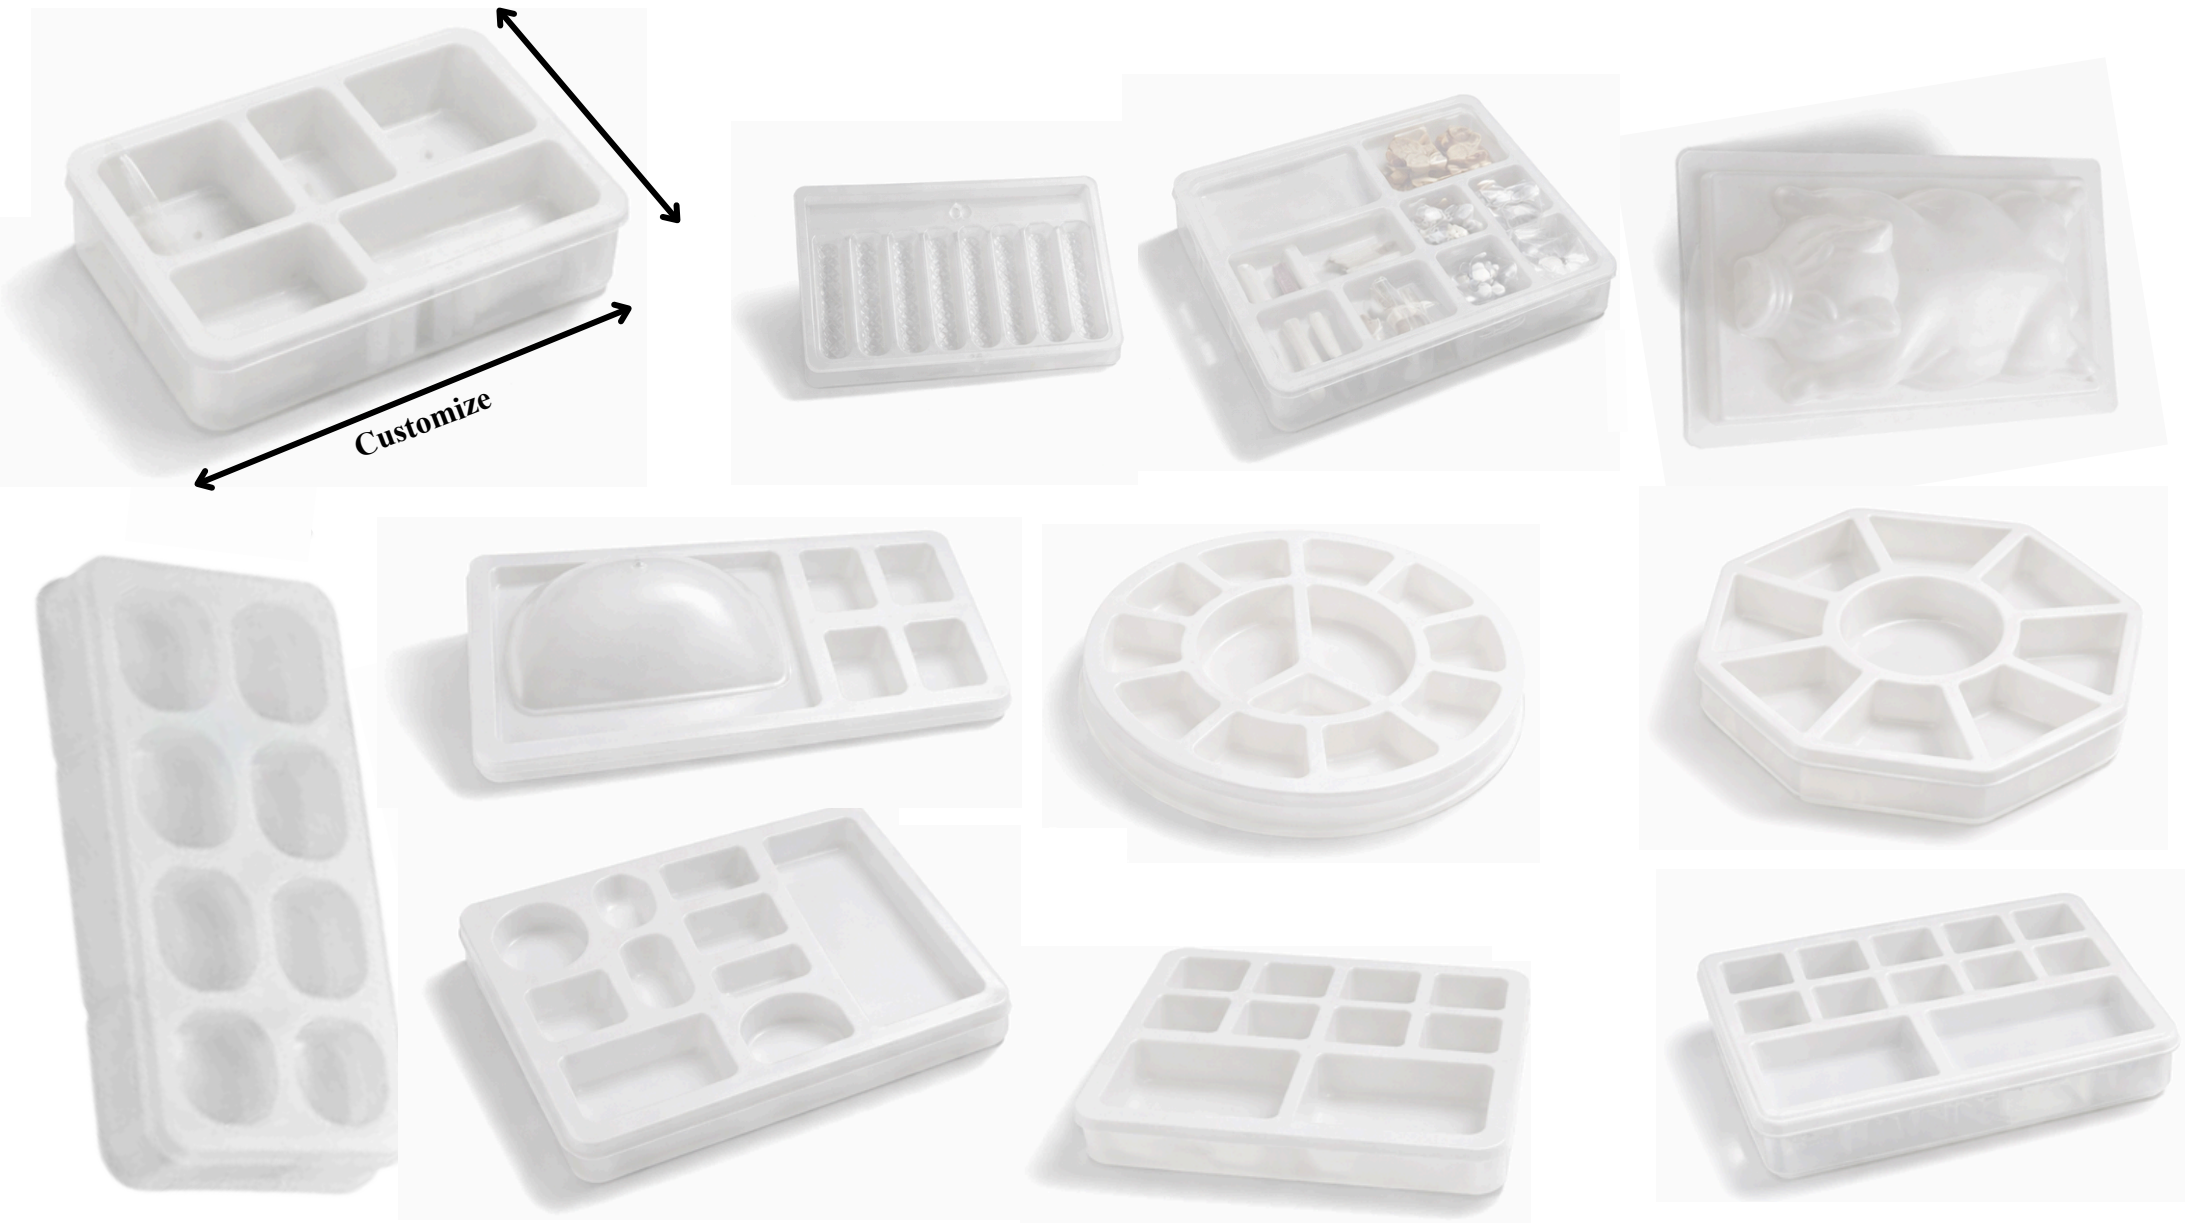

OPAQUE COLOR PLASTIC PRODUCTS

Advantages

- ✓ **Customizable (OEM/ODM)** – Flexible in size, thickness, color and compartment layout
- ✓ **Multi Compartment Design** – Helps separate and organize different items neatly (food, parts, accessories)
- ✓ **Strong & Rigid Plastic** – Good shape retention, not easy to deform during storage or transport
- ✓ **Wide Application** – Suitable for food packaging, electronics, cosmetics and industrial products
- ✓ **Stackable & Space Saving** – Easy to stack, optimize storage and shipping efficiency

OEM/ODM SERVICE

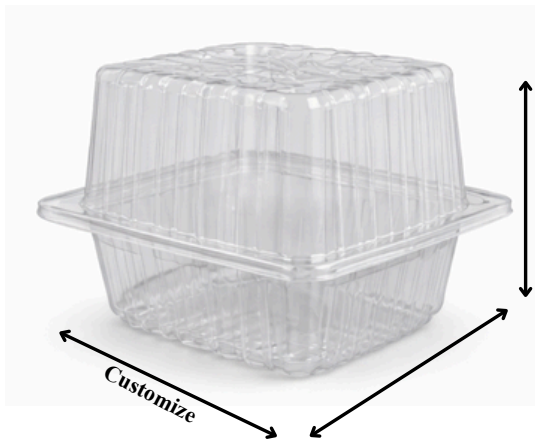

CLEAR PLASTIC FOOD CONTAINERS
